Hub Cap Decorating Contest at The Rochester Country Fair

The Rochester Country Fair will hold its first ever Hub Cap Decorating Contest at this year's Fair! The contest is open to everyone – including individuals, families, businesses and organizations.

Prizes will be awarded to the best Hub Cap in each of the following categories:

Best “Hillbilly” Theme Hub Cap

Turn your hub cap into a piece of Hillbilly art and decorate it using unique and interesting items found around the house and yard.

Most Original Hub Cap

Get out your glue gun, paint and rhinestones for this one. Use your imagination and turn your hub cap into a unique conversation piece.

Rules

- 1.) All hub caps must be delivered to the Fair grounds and set up for display Saturday morning by 10am and remain at the Fair through Sunday afternoon.
- 2.) All hub caps must identify the persons or group entering the contest with their phone #.
- 3.) All hub caps must remain securely in place so that they don't fall, roll or blow away. You can bring a stake to be driven into the ground or something to tie it to the fence.
- 4.) Judges will award prizes on Saturday at 2PM

Hub Caps are available at Bev Loves Books (while supplies last) or by contacting High Street Auto Salvage. The Fair is not responsible for lost or stolen hub caps. Good luck!
